

PLAYERS EVALUATING UP PROCESS

South Bow River Rockies runs four divisions of softball for ages U11+. These divisions follow Softball Alberta's Provincial divisions, A, B, C and D. A being the highest level of softball a minor can play in the province of Alberta and D being the lowest level.

Due to this fact, we do not allow any players of any age U11+ to evaluate higher than their designated age. We believe the age groups are designed to keep players of the same social maturity together.

Softball Alberta believes that U9 and Timbits are key years to basic development and therefore we do not allow any players moving up and playing in older age divisions, subject to the discretion of the Executive Committee.
